PROJECT DESIGN PHASE – 2 :

THIRD PARTY API

There are several third-party APIs and software solutions that can be integrated into a workforce administration system. Some popular options include:

Workday: Workday offers APIs for various HR and workforce management tasks.

ADP Workforce Now: ADP provides APIs for HR and payroll integration.

BambooHR: BambooHR offers an API for HR and employee data management.

Kronos Workforce Dimensions: Kronos provides APIs for timekeeping, scheduling, and HR functions.

SAP SuccessFactors: SAP offers APIs for talent management and HR processes.

Oracle HCM Cloud: Oracle provides APIs for human capital management.

Paychex: Paychex has APIs for payroll and HR integration.

Microsoft Power Automate: You can use Power Automate to connect and automate various HR and workforce management tasks using different services and APIs.
